

Template Positions

I've created a template map to describe the positions of the Joomla modules. please refer to them if you wish to add or move modules.

The screenshot shows the Joomla website interface for Artists Meeting. Red boxes and text annotations identify various modules and their positions:

- user 8**: Located in the top navigation bar.
- pathway**: Located in the top left navigation bar.
- user 11 to 14 left to right**: Located in the top middle navigation bar.
- user 1-4 top to bottom**: Located in the search bar.
- left**: Located in the left sidebar menu.
- main body**: Located in the central content area.
- right**: Located in the right sidebar area.
- user 15-19 left to right**: Located in the bottom navigation bar.

The main content area displays an article titled "Welcome to Artists Meeting" by Chris Borkowski, dated Saturday, 24 November 2007. The article text discusses the group's mission and includes a quote from James Andrews: "Art Worlds, much like Artists Meeting, represent amalgams of disparate views, perspectives and feelings...".
