

Template Positions

I've created a template map to describe the positions of the Joomla modules. please refer to them if you wish to add or move modules.

The screenshot shows the Joomla website layout with several red boxes and labels indicating module positions:

- Header:** Logo and navigation (Contact Us, News, Links) are in **user 8**. The user name 'user 8' is also displayed.
- Navigation:** The 'Home' link and 'pathway' are in **user 11**. The search bar and 'LOGIN' button are in **user 5**.
- Content Area:**
 - user 11 to 14 left to right:** A row of three modules: 'LATEST NEWS', 'POPULAR', and 'SUPPORTERS'.
 - user 1-4 top to bottom:** A search bar and a large article titled 'Welcome to Artists Meeting'.
 - main body:** The main content area containing the article text.
 - right:** A 'Polls' module on the right side of the page.
- Footer:**
 - user 15-19 left to right:** A row of social bookmarking icons.
 - AM PROFILES:** A row of profile pictures, each labeled 'No image'.
