

Template Positions

I've created a template map to describe the positions of the Joomla modules. please refer to them if you wish to add or move modules.

The screenshot shows the Joomla website interface for Artists Meeting. Red boxes and text labels are overlaid to identify specific module positions:

- user 1-4 top to bottom**: A search bar located at the top of the main content area.
- user 11 to 14 left to right**: A banner area at the top of the page, containing sections for 'LATEST NEWS', 'POPULAR', and 'SUPPORTERS'.
- left**: A vertical sidebar on the left side of the page containing navigation links like 'Home', 'Artists Bios', 'Profiles', 'Current Projects', etc.
- main body**: The central content area containing the main article 'Welcome to Artists Meeting'.
- right**: A vertical sidebar on the right side of the page containing a 'Polls' section.
- user 15-19 left to right**: A horizontal row at the bottom of the page containing social bookmarking icons and 'AM PROFILES'.
