The screenshot shows the Joomla website interface with several red annotations indicating module positions:

- user 8**: Located in the top navigation bar.
- pathway**: Located in the top navigation bar.
- user 5**: Located in the top navigation bar.
- user 11 to 14 left to right**: Located in the top navigation bar.
- user 1-4 top to bottom**: Located in the search bar.
- left**: Located in the left sidebar.
- right**: Located in the right sidebar.
- main body**: Located in the main content area.
- user 15-19 left to right**: Located in the bottom navigation bar.

The website content includes a header with "Artists Meeting", navigation links ("Contact Us", "News", "Links"), a search bar, and a main content area with a "Welcome to Artists Meeting" article. The left sidebar contains "Home", "Artists Bios", "AM Profiles", "Current Projects", "Exhibitions Documentation", "Meeting Minutes", "Announcements", and "Listserv". The right sidebar contains "Polls". The bottom navigation bar includes "SOCIAL BOOKMARK US" and "AM PROFILES".
